Concentrations: Phenomenology, Contemporary Philosophy, Post-structuralism, Theoretical Philosophy

Thesis: “The efficacy of undecidable. Reflections about ethics and Jacques Derrida. Thesis supervisor”: Prof. Francesco Garritano.

Experience in academic teaching

Recent experiences in giving lectures:

- Giving classes within Prof. Pierangelo Dacrema’s course “Economy of financial intermediaries” (University of Calabria, Master Degree in Business Management, 2017-2018). Title of the seminar: *Debt as an ethical category. Individualism and «collectivism» in credit allocation.*
- Giving classes within Prof. James Williams’ undergraduate and master courses in 2014 and 2015, in which the concept of authority in relation to economic issues has been developed;
- Taking part in all Postgraduate Conferences and ‘Work in Progress’ presentations in Philosophy available during PhD studies in the School of Humanities at the University of Dundee.

Professional Membership and Partnership

- American Philosophical Association (APA)
- A/simmetrie. Italian association for the study of economic asymmetries.
- Member of the Editorial Review Committee of *L'inconscio. Rivista Italiana di Filosofia e Psicoanalisi.*

- Private consultant for *Serendebity*, society using the method of the analysis of debtors' psychological and social distress to set up a plan and an agreement between the parts in order to solve a serious debt situation.

Academic Blog Editor: <http://www.filosofiadeldesito.it/>
